Clint,

I response to your inquiry below. I was advised that the data sheets we provided included everything up through the day they were pulled, which was December 10, 2021. Subsequent to our first round of responses to you, there was one additional vehicle sold, but no other service to customers giving a PA address. The vehicle sale information is as follows:

Date of Sale: 12/23/21; Make: Range Rover; Sale Price: \$70,301.

Please advise if you have any further questions.

Thank you,
Kristen

Joe,

Thank you for sending the supplemental discovery responses. The most recent PA buyer contract provided shows a sale date of 7-30-2021. Have there been any PA sales or services since then (in the

past 6 months)?
